

# **I Will Be Joyful**

*Lyrics: Christopher Steinke, Music: Christopher Steinke, Allison Steinke*

## Verse 1

**G**                                 **C**             **G**  
When all trees in sight have lost their life

**G**                                 **D**  
And the joy it falls down again

**G**                                 **C**             **G**  
With the doors all shut and I'm stuck in a rut

**G** **D**                                 **G**  
Yet I will rejoice in the Lord

## Chorus

**G**                                 **C**             **G**  
I will be joyful to him who is faithful

**G**                                 **D**  
I will be joyful in him

**G**                                 **C**             **G**  
I will be joyful to him who is faithful

**G** **D**                                 **G**  
I will be joyful in him

## Verse 2

**G**                                 **C**             **G**  
When the sun is bright, not a cloud in the sky

**G**                                 **D**  
And the joy it rises again

**G**                                 **C**             **G**  
With all hopes in sight I can feel the light

**G** **D**                                 **G**  
Yet I will rejoice in the Lord

## Verse 3

**G**                                 **C**             **G**  
When the day has passed, with the Lord at last

**G**                                 **D**  
And that joy shall never end

**G**                                 **C**             **G**  
Though the seasons come, I will rest in the One

**G** **D**                                 **G**  
And I will rejoice in the Lord
