## Verse 1

**G**

It's hard to trust in the valley of the shadow

**Em7**

To know and trust it's not in my hands

**G**

Moving past the doubts and the unknown

**Em7**

All these things I don't understand

## Pre-Chorus 1

**D Cadd9 G**

So I know, to know and to trust you

## Verse 2

**G**

Unfolding of the glory days

**Em7**

Reminds me of two different stories

**G**

One of life being oh so sweet

**Em7**

One beating to a different beat

## Pre-Chorus 2

**D Cadd9 G**

So I know, to know and to trust you

**D Cadd9 G**

So I know, to know and to trust you

### **Chorus**

**Em7** **G**  
The walls are closing in  
**Em7** **G**  
The valley is dark and deep  
**Em7**  
I'm looking for answers  
**G** **D**  
Finding a way on through  
**Cadd9** **G**  
So you tell me, to know and to trust you

### **Verse 3**

**G**  
Taking all of my uncertainty  
**Em7**  
Set it off to sail, send it out to sea  
**G**  
Be my guide, my horizon  
**Em7**  
Be all that I seek in every season

### **Instrumental**

**G | G | G | Em7 | G | Em7**

**Outro: G | G | G | G**
